Calligraphy is a form of handwriting. A special pen must be used. Letters are formed using up and down strokes. Most old documents were written in this form. Diplomas, certificates, and other awards are often written in calligraphy.

Tommy was not happy at all. His sister was making the honor roll, again! His parents would let her do anything she wanted. Tommy was not making the honor roll this time and he was not going to be allowed to do all the things he wanted to do. Poor Tommy! He decided he would just have to study harder and get back on the honor roll.

Katrina and her brother, Jesse were playing with the water hose outside one day. Jesse ran to the house to hide from Katrina so she wouldn't squirt him with the water. The back door opened, and Katrina pointed the water hose toward the door to squirt Jesse. To Katrina's surprise it was Mom who was now dripping wet!

Laura Ingalls Wilder was born on February 7, 1867, in Pepin, Wisconsin. She met and married James Wilder in 1885. She wrote many books based on her travels to the west. She died in 1957.

The Food Group Pyramid tells how to eat healthily. It shows how food is divided into six groups. It is important to eat foods that belong to each group every day. The pyramid helps show how much of each food group you should eat.
